Oral Habit Program: Fees

These fees apply to a child who is coming to see me for a stand-alone Oral Habits program, outside of speech or feeding therapy. If your child is already seeing me for speech or feeding therapy, or needs those services, the pricing is adjusted into their regular treatment sessions, except for "Quit Day". That day is a party and needs its own celebratory moment 😊

- **Initial Session/Assessment: \$375.00**
 - Allow 1-1.5hours for this appointment.
 - *Please add a \$50 fee for an in-home assessment*

- **Treatment Sessions:**
 - **Quit Day: \$300.00**
 - Please allow 45-60 mins for this session
 - This session includes a Quit Kit, with supplies needed to work towards habit elimination
 - The child can suck as much as they want up until Quit Day. On this day, we remove any important triggers (e.g. stuffed animal) and introduce a super fun Quit Kit.
 - This includes daily video messages, with the child, for 1 week until the first follow-up visit. Also, troubleshooting with parents as needed.
 - Visit 1: **\$125.00**
 - Please allow 20-30 mins for this session
 - This is a quick visit to review the program and troubleshoot any issues.
 - This visit is scheduled 1 week after Quit Day
 - Visit 2: **\$ 165.00**
 - Please allow 30-45 mins for this session
 - In this visit we review the oral structure, take photos, top off the kit if needed and troubleshoot any issues.
 - This visit is scheduled 3 weeks after Quit Day
 - Visit 3: **\$165.00**
 - Please allow 30-45 mins for this session
 - In this visit we review the oral structure, take photos, top off the kit if needed and troubleshoot any issues
 - This visit is scheduled 7 weeks after Quit Day
 - Visit 4: **\$165.00**
 - Please allow 45-60 minutes for this session
 - In this visit we assess the oral structure, take final images and discuss any maintenance reminders, if needed.
 - This visit is scheduled 15 weeks after Quit Day
 - *Please add \$50 per session for in-home service*
